Nyla Japp, R.N., PhD, ACSP, CSPDM, CASSPT presents:

Releasing the Pressure of Loaner Management

Sponsored by:
Thursday, March 17, 2016, 2:00pm ET

PRESENTER: Nyla Japp, R.N., PhD, ACSP, CSPDM, CASSPT

Dr. Nyla ‘Skee’ Japp has a diploma in Medical Technology, Associate Degree in Nursing, Bachelor of Science Degree in Management, and a Master’s and Doctorate Degree in Health Administration. She currently does consulting and teaching in her business, Professional CSPD Training and Mentoring located in Phoenix, Arizona. Dr. Japp was previously the Vice President Central Sterile Processing Management for Integrated Medical Systems. Prior to joining IMS, she was the Senior Clinical Manager and Educator of CSPD at Banner Desert Medical Center in Mesa, Arizona. Her previous experience includes Regional Infection Control Coordinator at Providence Medical Center in Kansas City, Kansas, Nurse Manager of SPD at the University of Kansas Hospital in Kansas City, Kansas, and the Director of Infection Control Services at Saint Catherine Hospital in Garden City, Kansas. She has practiced acute-care infection control for over 35 years. She also teaches numerous courses in Sterile Processing and Infection Prevention Standards and practices.

GUEST PRESENTER: Jennifer Zola, RN, BSN.

Jennifer is a Sales Consultant for Censis Technologies. She has 20+ years of healthcare experience in a variety of hospital settings including med/surg nursing, patient/staff education, and clinical sales support of medical device solutions.

OR Today would like to thank our sponsor, Censis Technologies!

Censis provides a flexible portfolio of surgical instrument tracking options using Censitrac, a highly advanced, web-based, customer friendly platform.

**Webinar Agenda:**

This 60-minute webinar will discuss the current challenges facing hospitals and vendors today in a surgical loaner dominated market. A review of the different solutions that exist for surgical loaner management and how those solutions can help alleviate the current pressures will be provided, as well.

Our presenter looks forward to addressing your questions. Attendees will be on a listen only mode throughout today’s presentation, but you are able to submit a question during the webinar using the “Questions” or “Chat” feature on your webinar dashboard.

You are welcome to submit your questions prior to today’s webinar. Please email webinar@mdpublishing.com with the subject line “Attendee Question for OR Today’s Webinar.”

---

**OR Today’s webinar are always relevant for me in role in perioperative services. Always has a tip to take away from the webinar.**

— Sharon B.

**The OR Today’s webinar series is very educational and attempts to present an unbiased view of the topics being presented.**

— Nancy C.

**Information was very informative. The resources were wonderful and I look forward to bringing this and other new developments in surgery to my students.**

— Jacqueline B.
