WEBINAR AGENDA:

This 60-minute webinar will feature Jim Stobinski, CEO of the Competency and Credentialing Institute (CCI). American healthcare is changing rapidly through the ongoing transition to a value based system of care. Processes for ongoing professional development for American healthcare workers are also in the midst of large-scale change. In this presentation Jim will discuss the factors causing the changes in professional development practices and discuss the relevant organizations engaged in these changes. The evolving role of the registered nurse as the supervisor of unlicensed staff in the perioperative setting will also be discussed.

Our presenter looks forward to addressing your questions. Attendees will be on a listen only mode throughout today's presentation, but you are able to submit a question during the webinar using the "Questions" or "Chat" feature on your webinar dashboard. You are welcome to submit your questions prior to today's webinar. Please email webinar@mdpublishing.com with the subject line
