

WEBINAR SERIES

OR TODAY

Melanie Burton presents:

Strategies For Reduction Of Surgical Site Infections

Thursday, July 25, 2019, 2:00pm ET

PRESENTER: MELANIE BURTON

Melanie A Burton, BSN RN CNOR MLSO, Independent Consultant/Nurse Educator.

Melanie has been a PeriOperative Nurse since 1971, a member of AORN since 1980, and a CNOR since 1991. After retiring from Swedish Hospital in Seattle in 2010, she was a Travel Nurse working in different environments in Alaska, Idaho and Washington. She has been President of her Seattle Chapter, President of The Washington State Council of PeriOperative Nurses, member of the AORN Government Affairs Committee, member of AORN CEAC for five years and is the outgoing AORN Retired Nurses Specialty Assembly Council Chair.

With a passion for excellence in safe patient care she was recruited by the TIDI Products company, that has the motto of “Supporting Caregivers and Preventing Infections”, to be a Nurse Technical Support Specialist, Consultant, and Nurse Educator. Melanie has presented, nationally, on numerous occasions, on the topic of infection prevention and the prevention of SSIs and has presented to the Retired Nurses Specialty Assembly at AORN Expo 2017 and 2018, on the subject of retirement.

WEBINAR AGENDA:

This 60-minute pre-recorded webinar will feature Melanie A Burton, BSN RN CNOR MLSO, Independent Consultant/Nurse Educator. RN attendees of this webinar will gain knowledge on best practice in SSI prevention.

What attendees will learn:

1. How to identify intrinsic factors that contribute to SSI's
2. The significance of SSI's.
3. How personnel factors contribute to SSI's.
4. How environmental factors contribute to SSI's
5. The interventions that protect the integrity of the sterile field.
6. The criteria of a back-table cover.
