

WEBINAR SERIES

OR TODAY

Eric Grantham and Alice Brewer present:
**How St. Francis Hospital Uses UV Disinfection
To Provide A Cleaner Health Care Environment**

Tru-D SmartUVC

Thursday, October 31, 2019, 2:00pm ET

PRESENTERS: Eric Grantham and Alice Brewer

Eric Grantham, Unit Director at Crothall/St. Francis Hospital, Memphis. Eric has more than 20 Years of experience managing Healthcare Environmental Services and for the last year has been serving as a Healthcare Market Director with multiple sites. Eric attended the University of Memphis.

Alice Brewer, Clinical Director at Tru-D SmartUVC. Alice has spent more than 10 years as an epidemiologist in both the pharmaceutical industry and health care. Most recently she served as the Director of Infection Prevention for a large, multi-hospital health system in Wisconsin where, through utilization of robust analytics and innovative strategies, she led a 70% reduction of HAIs across the health system. Alice earned a bachelor's degree in Molecular Biology from the University of North Carolina and a master's degree in Epidemiology from Indiana University School of Medicine. In 2016, she achieved CIC certification in Infection Control and Epidemiology. She has a record of publications and presentations in the fields of infectious disease and epidemiological research methodology.

WEBINAR AGENDA:

This 60-minute webinar will feature Eric Grantham, Unit Director at Crothall/St. Francis Hospital and Alice Brewer, Clinical Director of Tru-D SmartUVC. Join Eric and Alice as they discuss the benefits of UVC disinfection and how it has been implemented and accepted at St. Francis Hospital.

WEBINAR SERIES

OR TODAY

OR Today would like to thank our sponsor Tru-D!

Tru-D SmartUVC

Tru-D SmartUVC is an advanced UVC disinfection system that delivers one automated, measured dose of UVC to consistently disinfect a room from one position, ensuring significant pathogen reduction in direct and shadowed areas, reducing human error and documenting disinfection results for each cycle. For more information visit www.tru-d.com

Our presenters look forward to addressing your questions. Attendees will be on a listen only mode throughout today's presentation, but you are able to submit a question during the webinar using the "Questions" or "Chat" feature on your webinar dashboard. You are welcome to submit your questions prior to today's webinar. Please email webinar@mdpublishing.com with the subject line **"Attendee Question for OR Today's Webinar."**
